

Basic principle:

Members of LÍFSVERND believe that unborn children have an inalienable right to life from conception
and absolutely no circumstances can justify direct abortion.

Members of LÍFSVERND are asked to pray daily for the ending of abortion
and are also asked to wear a pin called "Precious Feet".

- Full membership:** I agree with the basic principle of LÍFSVERND and want to be a member. (Annual fee: 1000 kr.)
 Friend of Lífsvend, not membership: I want to support or take part in the work LÍFSVERND is doing.
